Hi! I'm Emily. Nice to meet you.

I'm a graphic designer and visual thinker, who strives to create and develop playful, engaging, interactive solutions. An ambitious and quick learner with boundless imagination, I am always excited to take on the next challenge, and to explore its creative possibilities. With over five years of experience designing for a variety of industries, including healthcare, theater, finance, e-commerce, and non-profit organizations, I've honed my ability to adapt my design aesthetic to a range of brands and styles.
